

SECOND NATIONAL GARDEN RAILWAY EXHIBITION

The second National Garden Railway Exhibition is to be held during the first weekend in August (3rd and 4th) 2019 as part of the Pietermaritzburg Model Engineering Society Wings Wheels and Whistles event at Rudling Road in Pietermaritzburg. The exhibition will coincide with the National Steam Meet which is also being held at PMES during the same weekend.

Two portable layouts will be featured providing the opportunity to run live steam, battery and mains powered locos on 45mm and 32mm track.

In addition it is hoped to organise visits to two garden railway layouts on the day before - Friday 2nd.
